

Preços (Cores) - Signashop

Na guia **Cores em geral** altera as cores do preço inicial, preço final, label de preço inicial e label de preço final

The image shows a theme editor interface for Signashop. On the left, a sidebar titled 'EDITOR DE TEMA' contains a menu with 'Preços { Cores }'. Below the menu, there are four input fields for color selection: 'Preço inicial' (set to #1F1F1F), 'Preço final' (set to #FD8A77), 'Label de preço inicial' (set to #FFFFFF), and 'Label de preço final' (set to #FFFFFF). A red vertical line separates the editor from the main content area. The main content area displays two product cards. The first card, 'JAQUETA FEMININA ESTAMPADA TROPICAL', shows a price tag with a red background and white text, indicating a discount from R\$2,15 to R\$1,00. The second card, 'SAIA FEMININA LÁPIS ROSA', shows a price tag with a red background and white text, indicating a price of R\$5,15. Red arrows point from the 'Preço final' and 'Label de preço final' fields in the sidebar to the corresponding price tags on the product cards. Below the product cards, there is a section titled 'MAIS VENDIDOS' with two more product cards. A green WhatsApp chat button is visible in the bottom left corner of the product grid.
